

UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF MASSACHUSETTS  
WESTERN DIVISION

**TAMARA GREEN, et al.,**

**Plaintiffs/Counterdefendants,**

**v.**

**WILLIAM H. COSBY, JR.,**

**Defendant/Counterplaintiff.**

**Case No.: 3:14-cv-30211-MGM-DHH**

**PLAINTIFFS' STATUS REPORT OF APRIL 5, 2019**

COME NOW the Plaintiffs, by and through their counsel, and hereby advise the Court of the status of this case, as follows:

1. Plaintiffs' claims against Defendant William H. Cosby, Jr. have been settled.

Each Plaintiff is satisfied with the settlement. Contemporaneously with this Report, Plaintiffs are filing a Motion for Entry of Order Dismissing Claims as Settled.

2. Mr. Cosby's Counterclaims remain pending against the Plaintiffs (henceforth referred to only as "Counterdefendants").

3. Should the Court lift the stay on this case and allow the Counterclaims to proceed, for planning purposes the Counterdefendants hereby advise the Court of several dispositive motions that they intend to file within the next 45 days, which Counterdefendants believe will narrow the matters at issue in this case. Counterdefendants submit that a briefing schedule may promote efficiency, judicial economy, and the parties' interests. The anticipated motions include, but are not limited to: (1) a motion for summary judgment as to all Counterclaims against Counterdefendant Therese Serignese on the ground that Mr. Cosby cannot establish that Ms. Serignese made a false statement with actual malice (with an accompanying motion for

sanctions, if Mr. Cosby does not dismiss these Counterclaims with prejudice); (2) a motion for summary judgment as to all Counterclaims against Counterdefendant Louisa Moritz, on the ground that she is deceased; (3) a motion for judgment on the pleadings as to the non-defamation Counterclaims, on the ground that they are duplicative of the defamation Counterclaims; and, (4) a motion for judgment on the pleadings as to Mr. Cosby's requests for punitive damages, injunctive relief, and attorney fees, on the ground that the Counterclaims do not support these forms of relief, in part or in whole.

4. Furthermore, following the disposition of the motions, Counterdefendants also intend to engage in various forms of discovery, including but not limited to serving upon Mr. Cosby additional Interrogatories, Requests for Production of Documents, and Requests for Admission; taking Mr. Cosby's deposition; and taking the depositions *duces tecum* and/or *ad testificandum* of persons with discoverable information regarding liability and/or damages.

Respectfully submitted,
